

## Enrichment Opportunities!

Please email or see Mrs. O'Neil in Student Services for questions regarding or interest in the following opportunities. This is not an exhaustive list; students are encouraged to research their own enrichment/summer activities based on their interests and goals, and feel free to pass along activities to be added to this document.

**2017 Emory Pre-College Program** Emory University offers rising juniors and seniors the opportunity to experience college level academics with either six-week credit courses, three-week non-credit institutes, or two-week non-credit courses. Applications open in January 2017. For more information and to apply, visit <http://precollege.emory.edu/>

**Appalachian State University Summer Camps** A variety of academic and athletic camps are offered annually at ASU. To learn more: [www.camps.appstate.edu](http://www.camps.appstate.edu)

**ASU Forensic Anthropology Camp:** Information on how to apply for the camp in Summer 2017 will be posted in January 2017. Price varies by registration date and includes room and board. You must register by **May 1, 2017**. For more information and to apply visit: [http://www.appalachianbioanth.org/Camp\\_index.html](http://www.appalachianbioanth.org/Camp_index.html).

**ASU Cannon Music Camp** A three-week music-filled retreat in the Blue Ridge Mountains of North Carolina, Cannon Music Camp offers the most comprehensive course of musical instruction in the Southeast, with intensive college preparatory work in performance and music theory. Campers participate in daily ensemble rehearsals and music theory classes. 2017 Camp dates are Saturday, June 24<sup>th</sup> to Saturday July 15<sup>th</sup>, 2017. Visit <http://cannon.appstate.edu/> for more info.

**Boston University Summer Term** Boston University offers several summer programs for high school students. Programs vary in duration, restrictions in age, receiving college credit and deadlines. For more information and to apply, visit <http://www.bu.edu/summer/high-school-programs/>

**Campbell University Discovery Days** Offers a 1 day workshop to explore the health science program at Campbell. The workshop will allow you to explore topics such as Pharmacy, Pharmaceutical Sciences, Clinical Research, Nursing, Physician Assistant, Physical Therapy and Public Health. For more information on upcoming workshops, visit <http://www.campbell.edu/cphs/centers-and-programs/science-education-outreach/pharmaceutical-sciences-discovery-day> or contact [seo@campbell.edu](mailto:seo@campbell.edu).

**Catapult:** is a startup incubator for the world's most promising high school entrepreneurs where they are given an opportunity to join a team of other high school students, launch a startup, and have a unique entrepreneurial experience during the summer of 2017. Sessions are offered in Chicago, New York City and Silicon Valley. For more information and to apply, visit <http://www.catapultideas.com/#section-program>

**Champlain College Digital Forensics and Cybersecurity Academy:** A two-week summer camp aimed at high school students who share a common interest in the investigation and prevention of cybercrimes. Through the use of Champlain College facilities, those participating in the program are exposed to real world scenarios through the use of hands-on exercises in our state-of-the-art forensics lab. The camp will take place on July 9 - 22, 2017 at the Champlain College in Burlington, Vermont. A rolling admissions system will be used until April 30, 2017. Go to <http://www.champlain.edu/digital-forensics-cyber-security-summer-academy> for more information and to apply.

**CIEE High School Abroad & Gap Year:** CIEE offers several programs to high school students whether you are looking for a summer program, high school abroad, leadership academy, or gap year abroad. For more information and to apply, visit <http://www.ciee.org/high-school-study-abroad/>

**Converse College Summer Leadership Program:** This is a three and a half day workshop for rising female juniors and seniors. The program is July 23-24, 2017 on Converse College's campus in Spartanburg, SC and has no cost to participants. Apply at [http://www.converse.edu/leadership-converse?utm\\_source=UGcommunicationsflow&utm\\_medium=print&utm\\_campaign=UGadmission14&utm\\_content=LC15Postcard](http://www.converse.edu/leadership-converse?utm_source=UGcommunicationsflow&utm_medium=print&utm_campaign=UGadmission14&utm_content=LC15Postcard) by **April 15<sup>th</sup>**.

**Cornell University Summer College:** Cornell University is offering summer programs for high school students. Students can earn 3-6 college credits, work with Cornell faculty, and attend a college fair and receive one-on-one admissions counseling. For more information and to apply, visit <http://www.sce.cornell.edu/sc/>

**CSI Camp 2014:** Waynesburg University is offering their annual CSI camp in the summer of 2017. Students will have the opportunity to learn from certified experts in surveillance techniques and forensic science, canine workshops and the role of forensics in court cases. Dates for 2017 are June 18-23. For more information and to apply, visit <http://info.waynesburg.edu/CSI-Camp/>

**DreamSports Part-Time Jobs:** Dream Sports Center is currently hiring for multiple positions. To apply, you must be 16 years or older, have a 3.0+ GPA, and have a letter of recommendation from a teacher. For more information and to apply, visit <http://www.dreamsportscenter.com/about-us/jobs/>

**Duke Splash:** Strives to bring motivated middle school and high school students (7th to 12 grade) to Duke University for one day each semester to take short, interactive classes designed and taught by passionate Duke Students. The event is completely free of charge and lunch will be provided for all students, although there is a recommended donation of \$10 for participating students. For more information, visit here: [dukesplash.learningu.org](http://dukesplash.learningu.org)

**Duke University's Summer College:** for high school students is an opportunity for current 10<sup>th</sup> or 11<sup>th</sup> graders to earn college credit. This is a 4-week credit-bearing program offered by Duke University for students who present strong academic and leadership skills. The program runs from July 9<sup>th</sup> to August 4<sup>th</sup>. For more information and to apply, please visit <http://summersession.duke.edu/high-school-students/summer-college-for-high-school-students>

**DUKE TIP:** Duke University's program aims to identify academically talented students and help them to reach their potential. Duke TIP offers diverse summer programs that challenge students with fast-paced courses across liberal arts and science curricula. For more information and to apply, visit <https://tip.duke.edu/>. Spaces fill quickly so apply early.

**Duke Youth Programs:** Duke University offers 13 different programs for students grade 6-11. These programs have offered summer academic enrichment for motivated students for over 20 years. The camps offered approach learning as a shared responsibility among students, instructors, and counselors and vary in nature and purpose, but you can learn more or register at <http://www.learnmore.duke.edu/youth/>

**Envision Experience:** offers a wide variety of programs and workshops on different topics for high school students offered in different cities around the United States. For more information on workshops offered, please visit <https://www.envisionexperience.com/explore-our-programs/high-school>

**ISV Student Ambassador Program:** The International Student Volunteer program is an opportunity for juniors and seniors to represent their country and volunteer abroad during the summer with other student volunteer ambassadors. The program is 4 weeks long: 2 weeks of volunteer service, and 2 weeks of exploration of the host country. All students who complete the ISV U.S. Student Ambassador Program will receive the President's Volunteer Service Award. Applications are now being accepted for May-August departures. For more information and to apply, visit <http://www.isvolunteers.org/>

**Junior Statesman Summer Program** provides summer schools and institutes for exceptional high school students. Programs are held at Universities such as Georgetown, Princeton and Stanford. The programs are designed to prepare students for leadership and success skills in college and beyond. For more information on dates and how to apply, visit <http://summer.jsa.org/programs/>

**NC A&T University:** offers several summer programs for high school students. For a list of summer programs and activities offered to high school students, please visit <http://www.ncat.edu/academics/outreach/sumcp/Documents/2016%20Departmental%20Summer.pdf>

**NC Community Development Initiative Youth Leadership Program:** Five-week, paid internship in the nonprofit sector for rising seniors. The application period and materials for next year's program will be posted in March 2017. Apply at [www.ncinitiative.org/leadership-development/youth](http://www.ncinitiative.org/leadership-development/youth).

**NC Health Careers Access Program** The leadership series for future healthcare professionals is 10 installments of 2 hour evening programs that will teach, inspire, and motivate students interested in the health care field. Each program is on UNC's campus and enrollment is open to middle and high school students. For more information and to sign up: <http://nchcap.unc.edu/pre-college/hcie-workshops/> spaces are limited.

**NC Summer Institute in Choral Art, Inc.:** Young singers work with renowned conductors at Warren Wilson College; costs \$210 for one session from June 18 – 23, 2017. [www.ncsica.com](http://www.ncsica.com)

**NC Youth Conservation Corps (NCYCC)** NCYCC is a partnership between the Conservation Trust of North Carolina and the Vermont Youth Conservation Corps that gives students the opportunity to make a lasting impact on North Carolina's landscape. Youth ages 16-24 who have a strong work ethic, a desire to make a difference and are open to listening and learning may apply. Compensation includes a paycheck, real work experience and training, and the opportunity to spend your summer outdoors. For more information and to apply, visit <http://www.ctnc.org/about/ycc/>

**NCSU Communication Camp** is an intensive five-day workshop designed for rising junior and senior high school students interested in learning about television production — behind, and in front of, the camera. Daily morning and afternoon sessions will help students develop and execute basic communication skills in public speaking, television studio production, and broadcasting. College instructors will provide individual training to a limited class of 20 students in a broadcast-quality studio on the NCSU campus. **Students will be selected for this camp only with the signed approval and recommendation from the administration of their**

**respective high schools.** The session is from July 17– 21, on the NCSU Campus. For more information, visit here: <https://communication.chass.ncsu.edu/academics/camp/>

**NCSU Design Camp and Studios:** A series of design-based programs at NC State University that take place throughout June and July. Visit <https://design.ncsu.edu/academics/design-lab-k-12-education/pre-college-programs/design-camp> for more information and to apply.

**NCSU Summer Internship:** NCSU is accepting two High School freshmen or sophomores with an interest in science and the ability to produce and edit video content. They will provide the required scientific training. You will be required to produce and edit a short video (under 5 minutes) following our guidelines **due by May 15, 2017**. The internship is looking for Enthusiastic individuals that want to come to NC State this summer to learn more about the production of videos for use in Science Education. You need to have completed one high school science course, as well as one computer science course. For more information on how to apply, please email [mtgallar@ncsu.edu](mailto:mtgallar@ncsu.edu) or visit [https://domino1.wcpss.net/mail/7/70251917.nsf/0/E515A713E851C91A57AAC62C10C8B40D/\\$File/Get%20SMART%202017%20flyer.pdf?OpenElement&FileName=Get%20SMART%202017%20flyer.pdf](https://domino1.wcpss.net/mail/7/70251917.nsf/0/E515A713E851C91A57AAC62C10C8B40D/$File/Get%20SMART%202017%20flyer.pdf?OpenElement&FileName=Get%20SMART%202017%20flyer.pdf)

**NCSU Summer College in Biotechnology and Life Sciences:** Learn more about these topics and earn college credit, experience college life with an optional residential program. Visit [www.cals.ncsu.edu/scibls](http://www.cals.ncsu.edu/scibls) for more information on the July 2017 program and to apply.

**NYC Summer Academy 2017** The New York Times offers a two week program for highly motivated high school students in grades 9-12. This program promotes learning outside of the classroom and allows students to work with award winning journalists. Regular decision applications are due by **April 18, 2017**. For more information on the program and to apply, please visit [nytedu.com/summer2017](http://nytedu.com/summer2017)

**NYU Pre-College and Summer Programs** New York University offers rising juniors and seniors the opportunity to earn college credit and experience college life in New York City. The program will run from July 3 to August 13, 2017. For more information and to apply, visit <http://www.nyu.edu/admissions/precollege.html> **Applications will be available on February 1, 2017.**

**Oxford & Cambridge Summer Courses for High School Students:** Various classes and programs running in June and July for top high school students. Scholarships available. Visit [www.campusoxford.com](http://www.campusoxford.com) for more information and to apply.
