

Updated 4/24/2019

## Enrichment Opportunities!

**NEW! Language Diversity Enrichment Summer Program:** This **FREE** program is an opportunity for high school students to learn about language diversity. **This free program will be held on NC State's campus from Monday, June 17th to Friday, June 21st from 10am to 2pm.** It is a week-long educational program for high school students that is designed to introduce and explore concepts related to language and dialect diversity. Students will receive classroom instruction from currently enrolled NCSU linguistic MA students and will also participate in interactive games, collaborative activities, and much more. This program, additionally, can serve as an excellent addition to students' college and career applications and resumes. Students interested in participating should complete [this interest form](#) by **5pm on Monday, June 10th**. For further information, please feel free to visit our [website](#).

**2019 Emory Pre-College Program:** Emory University offers rising juniors and seniors the opportunity to experience college level academics with either six-week credit courses, three-week non-credit institutes, or two-week non-credit courses. Applications open in January 2019. For more information and to apply, visit <http://precollege.emory.edu/>

**University of Alabama** holds several camps for high school students over the summer. Please visit <http://www.k12summer.ua.edu/> for a list of offered camps and information on how to apply.

**ACLU Summer Advocacy Program** brings together HS students from across the United States, from July 20-26, who are interested in civil liberties issues and social justice advocacy. To read more about the program, please visit <https://www.aclu.org/issues/aclu-summer-institute>. Regular decision applications are Due by April 7 and can be found <https://action.aclu.org/legal-intake/2019-summer-advocacy-program-application>.

**Actuarial Science Summer Camp** is held at Lebanon Valley College and is offered to rising high school seniors who want to learn more about the profession. Camps are week-long intensive programs designed to help them decide if they're interested in actuarial careers. Applications for the summer camps will be accepted starting on January 15, 2019. For more information: <http://www.lvc.edu/academics/summer-community-programming/actuarial-science-camp/>

**Appalachian State University Summer Camps:** A variety of academic and athletic camps are offered annually at ASU. To learn more: <https://conferences-camps.appstate.edu/youth-camps>

**ASU Cannon Music Camp:** A three-week music-filled retreat in the Blue Ridge Mountains of North Carolina, Cannon Music Camp offers the most comprehensive course of musical instruction in the Southeast, with intensive college preparatory work in performance and music theory. Campers participate in daily ensemble rehearsals and music theory classes. Applications for 2019 open December 3rd. For more information: <https://cannon.appstate.edu/>

---

**Boston University Summer Term** Boston University offers several summer programs for high school students. Programs vary in duration, restrictions in age, receiving college credit and deadlines. For more information and to apply, visit <http://www.bu.edu/summer/high-school-programs/>

**Camp Cardiac** - scholarship and standard applications open in February for [Camp Cardiac Chapel Hill](#) 2019! Camp Cardiac & Camp Neuro, run by medical students in over 30 cities nationwide, are 1-week summer day camps for high school students interested in exploring careers in medicine.

**Campbell University Discovery Days** Offers a 1 day workshop to explore the health science program at Campbell. The workshop will allow you to explore topics such as Pharmacy, Pharmaceutical Sciences, Clinical Research, Nursing, Physician Assistant, Physical Therapy and Public Health. For more information on upcoming workshops, visit <https://cphs.campbell.edu/centers-programs/science-education-outreach/pharmacy-health-sciences-discovery-day/> or contact [seo@campbell.edu](mailto:seo@campbell.edu).

**CIEE High School Abroad & Gap Year** CIEE offers several programs to high school students whether you are looking for a summer program, high school abroad, leadership academy, or gap year abroad. For more information and to apply, visit <http://www.ciee.org/high-school-study-abroad/>

**Converse College Summer Leadership Program:** This is a three and a half day workshop for rising female juniors and seniors. The program is on Converse College's campus in Spartanburg, SC and has no cost to participants. For more information: [http://www.converse.edu/leadership-converse?utm\\_source=UGcommunicationsflow&utm\\_medium=print&utm\\_campaign=UGadmission14&utm\\_content=LC15Postcard](http://www.converse.edu/leadership-converse?utm_source=UGcommunicationsflow&utm_medium=print&utm_campaign=UGadmission14&utm_content=LC15Postcard)

**Cornell University Summer College** Cornell University is offering summer programs for high school students. Students can earn 3-6 college credits, work with Cornell faculty, and attend a college fair and receive one-on-one admissions counseling. For more information and to apply, visit <http://www.sce.cornell.edu/sc/>

**Duke's Star Program** - Applications for summer 2019 will be accepted from Nov. 19, 2018 through Jan. 11, 2019. The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, high school students, and middle and high school teachers during the summer academic break. For more information and to apply, [visit http://dcri.org/education/dukes-star-program/](http://dcri.org/education/dukes-star-program/)

**Duke University's Summer College** for high school students is an opportunity for current 10<sup>th</sup> or 11<sup>th</sup> graders to earn college credit. This is a 4-week credit-bearing program offered by Duke University for students who present strong academic and leadership skills. The program runs from July 7<sup>th</sup> to August 2<sup>nd</sup>. For more information and to apply, please visit <http://summersession.duke.edu/high-school-students/summer-college-for-high-school-students>

**Duke University's Summer Sessions** For more information on all the summer programs Duke has to offer visit <https://summersession.duke.edu/high-school-students>

**DUKE TIP** Duke University's program aims to identify academically talented students and help them to reach their potential. Duke TIP offers diverse summer programs that challenge students with fast-paced courses across liberal arts and science curricula. For more information and to apply, visit <https://tip.duke.edu/programs/summer-studies> Spaces fill quickly so apply early.

**Duke Youth Programs:** Duke University offers 13 different programs for students grade 6-11. These programs have offered summer academic enrichment for motivated students for over 20 years. The camps offered approach learning as a shared responsibility among students, instructors, and counselors and vary in nature and purpose, but you can learn more or register at <http://www.learnmore.duke.edu/youth/>

**Envision Experience** offers a wide variety of programs and workshops on different topics for high school students offered in different cities around the United States. For more information on workshops offered, please visit <https://www.envisionexperience.com/explore-our-programs/high-school>

**4-H Youth Futures College Within Reach Mentoring Program:** This program focuses on building relationships as well as college and career readiness for military-connected youth between the ages of 12-17. Participants are matched with individual mentors who guide them through a myriad of college preparation and readiness activities to help set the students up for success in their future. The students will be able to apply these skills as they embark on the next phase of their lives, whether it be higher education or workforce entry. Additionally, students will learn valuable ways of developing or strengthening relationships and support networks to enhance future decision making. Both mentors and mentees are being sought. Check their [program website](#) to find information specific to each role and applications to the program.

**George Washington University** offers credit and non-credit programs for motivated high school students to study in Washington, D.C. Our programs are intensive and exciting, offering a transformative introduction to college life. For more information visit: <https://summer.gwu.edu/precollege>

**University of Georgia VetCAMP 2019** is now accepting applicants for camp in June 16-22, 2019. This program is offered to rising high school juniors and seniors and rising college freshmen to evaluate their skills and competitiveness as future veterinarians, provide mentorship and help them experience veterinary medicine as an exciting career path. The application for VetCAMP 2019 is available now on our website (<http://vet.uga.edu/academic/vetcamp>). The deadline for all application materials is January 25, 2019. The cost of attending the program is \$900 and covers lodging, meals, instruction and social activities. Financial assistance is available to students with demonstrated need. For more information regarding scholarship opportunities, please contact [vetcamp@uga.edu](mailto:vetcamp@uga.edu).

**Habitat for Humanity of Wake County** is seeking teens 16 and older to serve their community through internships and volunteer opportunities this summer! We have two major incentives: the first is the Summer Youth Build program, where we are working with youth across Wake County to build multiple Habitat homes throughout the months of June, July and August. They will be working with our staff to complete 9 new homes in our Crosstowne neighborhood in Southeast Raleigh. No construction experience is needed, just a positive attitude and desire to have fun while giving back to their community. Students are welcome to sign up for any day(s) that work with their schedule. All Summer Youth Build opportunities are now posted on our website and can be accessed via <http://vhub.at/summerbuild>

The second opportunity is our Summer of Service Program, where students can take on a more active and consistent role as an intern with our construction team. These students would be working with our staff regularly throughout the summer to build new homes and complete home preservation projects throughout Wake County. They will receive on-on-one training from our Construction Superintendents and skilled volunteers, a certificate of completion and reference letters to be used for college/job applications. Applicants should contact Christin Murphy at [christin.murphy@habitatwake.org](mailto:christin.murphy@habitatwake.org) or Areli Hernandez at [areli.hernandez@habitatwake.org](mailto:areli.hernandez@habitatwake.org).

**ISV Student Ambassador Program** - The International Student Volunteer program is an opportunity for juniors and seniors to represent their country and volunteer abroad during the summer with other student volunteer ambassadors. The program is 3 weeks long: 2 weeks of volunteer service, and 1 week of exploration of the

Dominican Republic. All students who complete the ISV U.S. Student Ambassador Program will receive the President's Volunteer Service Award. For more information and to apply, visit <http://www.isvolunteers.org/>

**Junior Statesman Summer Program** provides summer schools and institutes for exceptional high school students. Programs are held at Universities such as Georgetown, Princeton and Stanford. The programs are designed to prepare students for leadership and success skills in college and beyond. For more information on dates and how to apply, visit <http://summer.jsa.org/programs>

**The Martha Guy Summer Institute for Future Business Leaders (MGSi)** at Appalachian State University has a solid history of inspiring students through exploration of the business world, and we will begin accepting applications for our 2019 Cohort on December 1, 2018. MGSi offers a unique 3 week opportunity for **current high school juniors** to gain an immeasurable amount of business knowledge and experience. This year we are seeking 24 students to participate in the 16th cohort that will include two weeks on ASU's campus with classroom instruction, an entrepreneurial project, outdoor courses, and local activities, ending with business oriented travel. Application Deadline is February 28, 2019. Visit: <https://marthaguy.appstate.edu> for details and information.

**NC A&T University:** offers several summer programs for high school students. For a list of summer programs and activities offered to high school students, please visit:

[http://www.ncat.edu/caes/futurestudents/summer\\_hs.html](http://www.ncat.edu/caes/futurestudents/summer_hs.html) and

<http://www.ncat.edu/academics/outreach/contedu/High%20School%20Summer%20Program.html>

**The North Carolina School of Science and Mathematics (NCSSM)** Office of Admissions would like to invite you to our upcoming November webinar presentations. Please click on each link for additional information on the content of the webinar and how to register.

-November 8, 2018: [Tell Your Story- Essays that Make an Impact](#)

-November 15, 2018: [You belong in Summer Ventures](#)

If you have any questions, please contact us at [admissions@ncssm.edu](mailto:admissions@ncssm.edu).

The **NC State College of Textiles - Zeis Textiles Extension** is excited to announce a training program for North Carolina junior and senior high school students. The Junior Green Belt Certification Academy is an introduction to Lean Six Sigma (LSS), a continuous process improvement program that incorporates the efficiency tools found in Lean Manufacturing and the data collection and analysis tools found in Six Sigma and merges them into a robust toolkit. The training will provide a structured approach to problem-solving useful at school, work and in life. The participants will be given access to an online training program, attend a four-day session on campus and present their project results in October.

For more details about the Academy, please visit: [Junior Lean Six Sigma Green Belt Certification Academy](#)

**NC State College of Textiles** also offers a two-day workshop, [Polymer Camp](#), for high school juniors interested in physical sciences, engineering and attending NC State. This is a great opportunity to learn more about our [Polymer Color Chemistry](#), [Textile Engineering](#) or [Textile Technology](#) degree programs.

To learn more about Polymer Camp please visit our [website](#). If you have questions, please contact Lakisha Patterson: [lypatter@ncsu.edu](mailto:lypatter@ncsu.edu).

**NC State Language Diversity Summer Enrichment Program** - This program will be held on N.C. State's campus from **Monday, July 23rd to Friday, July 27th from 10AM to 2PM**. This is a week-long educational program designed to explore language and dialect diversity in English. In addition to classroom instruction, students will also participate in fun games, collaborative activities, and a special film screening. The program will serve as a great addition to students' college and job applications/resumes. If students are interested in participating,

they should complete [the interest form](#) before June 15th at 5 p.m. There is **no cost** to attend the program. Please see [our website](#) for further details, and feel free to contact us if you have any questions.

**NC State Native Education Forum** - A six-day (June 16-22) residential program for rising juniors and seniors who have a strong interest and appreciation for the Native American/American Indian culture. Applications due by April 15. Visit the [NEF website](#) to learn more.

**NC State Emerging Scholars Academy** - A six-day (June 23-29) residential program for rising juniors and seniors who have a strong interest and appreciation for the African American experience and culture. Applications due by April 15. Visit the [ESA website](#) to learn more.

**NC State Caminos** – A four-day (July 25-28) residential program for rising juniors and seniors who have a strong interest in Hispanic/Latinx culture. This program will provide the opportunity to learn about higher education while reinforcing cultural identity and community ties. Applications due by April 15. Visit the [Camino website](#) to learn more.

**NC Summer Institute in Choral Art, Inc.:** Young singers work with renowned conductors at Warren Wilson College; Registration opens on February 1st for the June 16–21, 2019 session. [www.ncsica.com](http://www.ncsica.com)

**NC Youth Conservation Corps (NCYCC)** NCYCC is a partnership between the Conservation Trust of North Carolina and the Vermont Youth Conservation Corps that gives students the opportunity to make a lasting impact on North Carolina's landscape. Youth ages 16-24 who have a strong work ethic, a desire to make a difference and are open to listening and learning may apply. Compensation includes a paycheck, real work experience and training, and the opportunity to spend your summer outdoors. For more information and to apply, visit <https://www.ctnc.org/connect/ncycc/>

**NCSU Design Camp and Studios:** A series of design-based programs at NC State University that take place throughout June and July. Visit <https://design.ncsu.edu/academics/design-lab-k-12-education/pre-college-programs/design-camp> for more information and to apply.

**NCSU Summer College in Biotechnology and Life Sciences:** Learn more about these topics and earn college credit, experience college life with an optional residential program. Visit [www.cals.ncsu.edu/scibls](http://www.cals.ncsu.edu/scibls) for updates on the 2018 program.

The **New England Center for Investigative Reporting** helps students gain hands-on experience and develop personal networks to benefit them in college and beyond. Our [Pre-College Summer Journalism Institute](#), based at the Boston University [College of Communication](#), provides students an opportunity to improve their journalism skills and develop as storytellers. Our three, two-week workshops begin on June 25 and run through August 3. For more information about our program, [visit our website](#).

**NYU Pre-College and Summer Programs** New York University offers rising juniors and seniors the opportunity to earn college credit and experience college life in New York City. For more information and to apply, visit <http://www.nyu.edu/admissions/precollege.html>

**Oxford & Cambridge Summer Courses for High School Students:** Various classes and programs running in June and July for top high school students. Scholarships available. Visit [www.campusoxford.com](http://www.campusoxford.com) for more information and to apply.

**Penn Engineering Summer Academy:** Highly talented and motivated high school students are invited to apply for an intensive, three week (July 8-28, 2018) academic experience like no other! For more information visit <https://esap.seas.upenn.edu/>

**Raleigh Parks and Rec Summer Programs:** Camps and active programs. Visit <http://www.raleighnc.gov/parks/content/ParksRec/Articles/ParksRecreationPublications.html> to learn more and apply.

**Science Enrichment Preparation Program** is an 8-week academic enrichment program that targets first-generation, underrepresented minority, rural, and/or socioeconomically disadvantaged undergraduate students (rising sophomores and juniors) who seek admission into graduate/health professional programs. Students will take classes, seminars, and shadow a working professional. Additionally, Scholars will receive educational supplies, lodging on the UNC Chapel Hill campus, limited travel expenses (contingent upon funding) and a competitive stipend. Learn more and apply at: <http://nchcap.unc.edu/college/sep-program/>

**The Shelton Challenge:** A six-day summer experience through NC State University for rising 9<sup>th</sup>-12<sup>th</sup> graders with a minimum GPA of 3.0 who are motivated to learn how to lead others. The cost is \$700 and includes meals, lodging, and curriculum. To learn more or apply, visit: <https://sheltonleadership.ncsu.edu/youth-shelton-challenge/apply-for-challenge/>

**SMILE Camp:** An interactive and hands-on experience designed to inspire scientific exploration among gifted students. There is a camp one Saturday per month during the academic year, and 9 weeks of summer camp. Held in various locations. Visit <http://smilecamp.org/> to learn more or register.

**Smith College Summer Programs** Smith College is offering summer programs for academically talented and motivated high school females. Programs vary in schedule and financial aid is available. For more information and to apply, visit <http://www.smith.edu/summer/>

**Stanford University Academic Programs:** Programs offered for highly motivated, intellectually curious students. Investigate topics not typically taught in secondary schools. Visit <https://spsc.stanford.edu/programs> for more information.

**Stanford Pre-Collegiate Studies:** Summer courses and programs on Stanford's campus for high school students. Visit <https://summerinstitutes.stanford.edu/> for more information and to apply.

**Stanford Summer Arts Institute** This program will offer interdisciplinary courses in music, drama/theater, visual design, and the arts. For more information and to apply: <http://summerartsinstitute.stanford.edu/>

**Study Abroad in Germany** The Congress-Bundestag Youth Exchange Program (CBYX) is for motivated high school students who want to fully immerse themselves in German culture by living with a host family and attending a local high school. For more information and to apply, visit <http://www.usagermanyscholarship.org>

**Summer Investigative Reporting Workshop** is offered through Boston University. It is an opportunity for high school students to learn more about journalism, and explore the exciting city of Boston. The program will ensure that each student will be taught at a high level, and learn new and valuable skills at this summer high school journalism program. The program offers three different sessions throughout the summer. For more information on this program, please visit <http://studentprograms.necir.org/pre-college-summer-institute/>

**Summer Textile Exploration Program (STEP)** 2019 NCSU's College of Textiles is offering a week-long summer program for rising high school seniors. There are 4 week-long sessions with up to 30-35 students per session.

Students will live on campus and will learn about the departments, degrees, scholarships and opportunities available in the college. For more information and to apply, visit <https://textiles.ncsu.edu/future-students/future-undergraduate/step/>.

**UNC Catalyst Conference** A select group of 100 high school students from North Carolina will be given the opportunity to stay at UNC Chapel Hill for a weekend where there they will explore social justice issues affecting both America and the larger world. The conference will offer leadership skills and personal development so that students are able to serve as catalysts for positive change in their own communities. For more information on how to apply, visit <http://campusy.unc.edu/committee/catalyst-conference/>

**United States Naval Academy** Offers several summer programs to high school students who are interested in joining the Navy or have an interest in STEM. For information on the programs offered, please visit <https://www.usna.edu/Admissions/Programs/index.php>

**Wentworth Summer Architecture Program** – This is a four week program from July 9 to August 3, 2018 for students who have an interest in designing and constructing a full-scale structure, temporary art or temporary installation, creating a community-based project, earning college credit, and living on a college campus in Boston (optional). Interested students can learn more at [www.wit.edu/summerfab](http://www.wit.edu/summerfab).

**William Peace University** offers several different camps for rising 9<sup>th</sup>-12<sup>th</sup> graders. For more information please visit <https://www.peace.edu/about/conferences-camps-events/summer-camps/>

**Youth Summer Service Programs** -The IMPACT Camps are each one week long and in them, rising 9<sup>th</sup> and 12<sup>th</sup> graders will learn about relevant social issues and how to get involved in their communities. The IMPACT Camps this summer will be from June 11-15 and June 25-29. We'll visit different sites in the community at local nonprofits to perform various service projects where students can log valuable volunteer/community service hours!

The ICE camp is two weeks long in its entirety and will be during the last two weeks of July. This camp focuses on teaching rising 10<sup>th</sup> and 12<sup>th</sup> graders about leadership and confidence. They will explore current and local issues and how to become involved citizens. In this camp, students will also have the opportunity to earn volunteer hours.

You can find more information about the camps at

<http://www.thevolunteercenter.org/tp42/page.asp?ID=339276> for The IMPACT Camps and at <http://www.thevolunteercenter.org/tp42/page.asp?ID=335640> for The Institute of Civic Engagement for Emerging Leaders (ICE).

**Youth for Understanding Study Abroad** Youth for Understanding USA offers year, semester, and summer long programs in more than 40 countries. Scholarships and volunteer opportunities are also available. For more information and to apply, visit <http://www.yfu-usa.org/>
